

AXEL DANCE ACADEMY

Axel Dance Academy presents our 8th annual recital showcase! Prepare for an epic battle of good versus evil at our upcoming recital with the theme 'Heroes vs. Villains'! Join us as our dancers take the stage to portray iconic characters from your favorite stories, from valiant superheroes to cunning villains. Get ready to be swept away on a journey of adventure, drama, and excitement as our dancers showcase their talent and creativity through captivating choreography and dazzling costumes.

LETTER FROM MISS ASHLEY

Thank you for being a part of ADA dance family! We are celebrating our 8th annual recital performance! The recital is the culmination of 10 months of hard work from all of our dancers and instructors. The entire Axel community is looking forward to sharing these accomplishments with all of you.

Whether a dancer takes one class per week or many, the recital provides them with an opportunity to showcase their talents and individual achievements.

Our dancers' success is our joy- and we look forward to many more years of memories with you and our dancers!

This show is dedicated to our dear friend and coworker, Steven Drabik. "Big Steve" was an integral part of the Y. He spent countless hours at the YMCA working, working out, and even taking dance classes himself. He is deeply missed, and we think of him often.
